Approval of March 2024 Police Report: The report is included in the packet for consideration.

Approval of Street Use Permit – NG High School Graduation Parade, June 29, 2024: Permit application is included in the agenda packet. Staff recommend approval.

New Business:

Proclamation: Honoring Sue Moen: The proclamation honoring Sue is included in the agenda packet and will be read at the meeting.

Proclamation: 2024 Arbor Day: The proclamation is included in the agenda packet and will be read at the meeting.

Consideration/Discussion: Special Event Permit – Polkafest/Beer, Bacon, and Cheese, June 7-8, 2024: The special event application is included in the agenda packet. The Parks & Recreation Committee and Public Works/Public Safety Committee reviewed the application and recommended for approval at their meetings on April 10, 2024. The Parks & Recreation Committee recommended adding language to the open intoxic boundaries that specifically excludes Village Park. The applicant intends to exclude Village Park and will have signage around the park stating that no alcohol is allowed.

Consideration/Discussion: Waive Bidding Requirements for Public Works Truck Purchase: Last fall, the Village purchased a new truck for the Public Works Department. Unfortunately, that truck had serious issues with the engine that the manufacturer could not solve. The truck was returned and the Village received a full refund. Since then, staff have been working to find a different truck that would meet the needs of Public Works staff and fits within the budget of

the returned funds. An available 2023 chassis was found at Kayser Ford, and the attachments can be added by Monroe Truck. Staff are requesting that Village bidding requirements be waived to purchase this truck given the unique circumstances and time constraints. The total cost of the chassis is \$68,088. The attachments would bring the total truck cost to \$123k, which is the same cost that was refunded to the Village for the previous truck.

Parks & Recreation:

Consideration/Discussion: Lion's Club Village Park Improvement Project: A proposal from the New Glarus Lions Club for improvements in Village Park are included in the agenda packet for consideration. Details are still being finalized for the flag pole and sign replacement. However, the Lions Club would like to move forward with repairs to the Village Park gazebo. Parks & Recreation Committee recommended to move forward with those repairs at their April 10, 2024 meeting.

President's Report:

Consideration/Discussion: Committee Appointment: A list of recommended committee appointments are included in the agenda packet.

New Glarus High School
Home of the Knights

February 27, 2024

To the New Glarus Village Board,

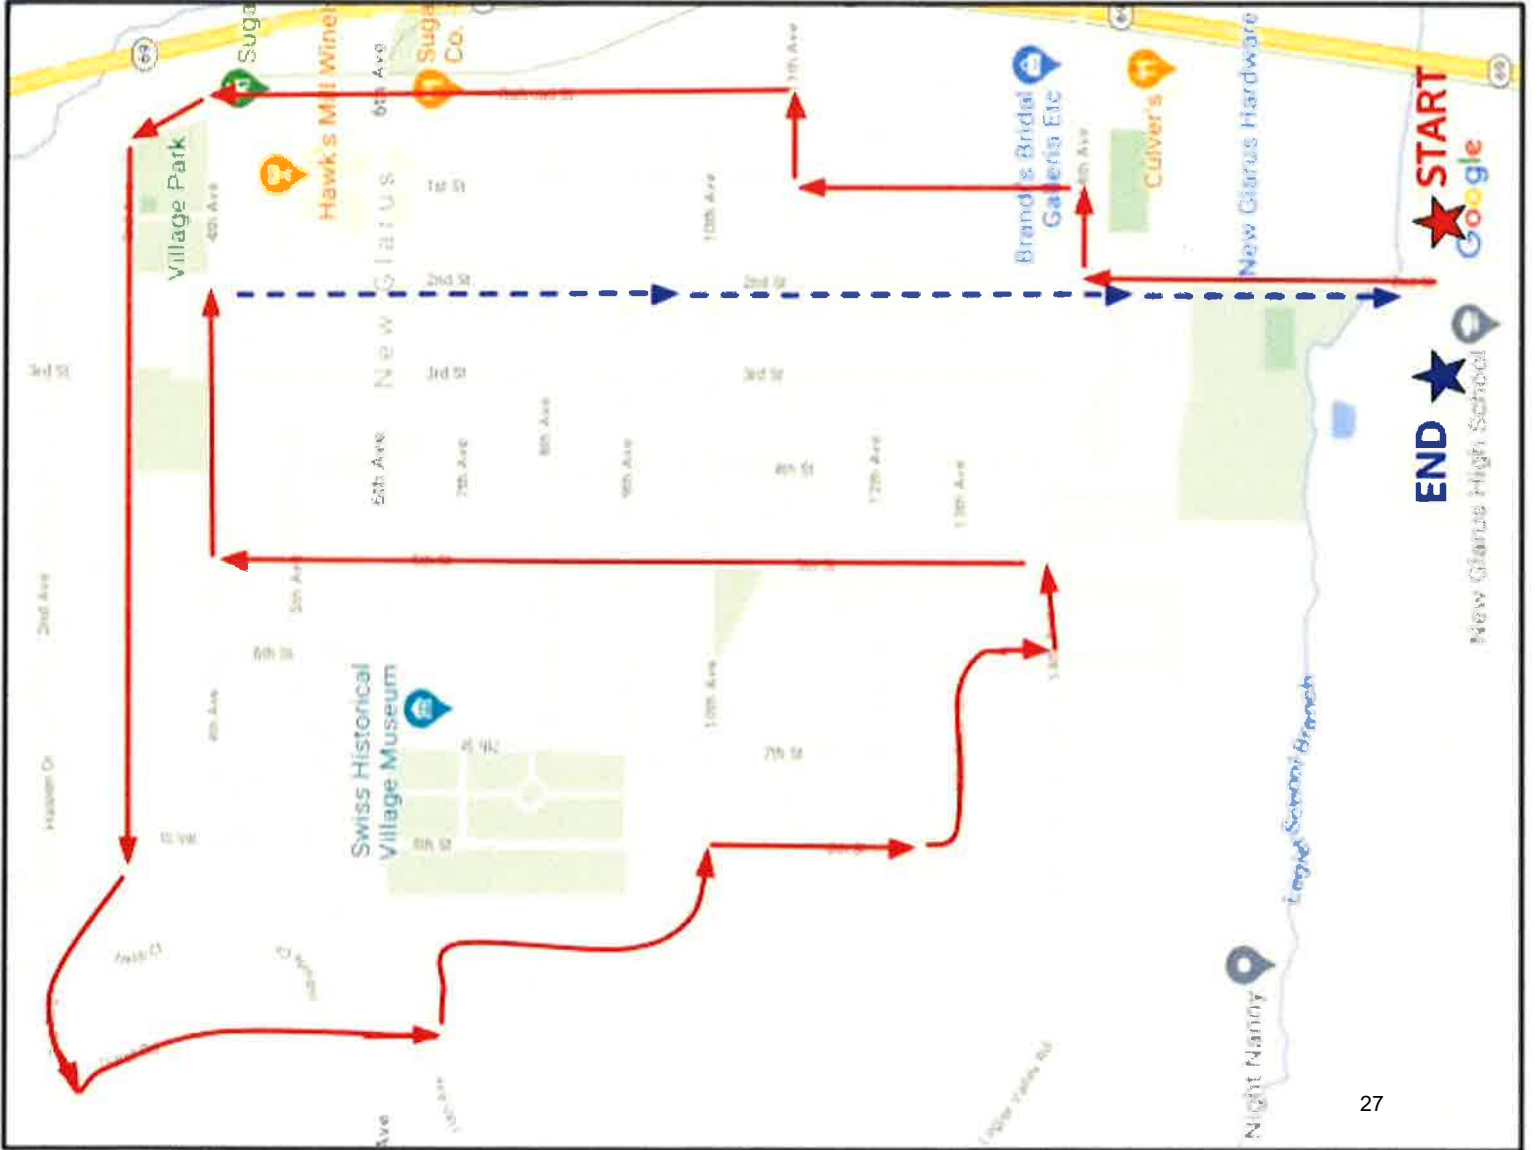

I am writing this to request permission to hold a Senior Graduation Parade on Sunday, June 2, 2024 at 3:00 p.m. We started this event with the graduating classes of 2020 and 2021 as part of a replacement celebration for our graduates as a result of the COVID-19 pandemic. It has become a tradition that our Class of 2024 would like to continue following their afternoon ceremony.

Students and parents would line up by parking in designated stalls in our elementary and high school parking lots, prior to the 1:30 p.m. graduation ceremony. Following the ceremony, seniors and parents would return to their vehicles and proceed into the parade. All parts of the parade will follow the guidelines of social distancing per requirements in place at the time of these events. Additionally, parents or another adult will be required to drive in the parade, and students ride along and wave.

On behalf of New Glarus High School and the Class of 2024, I ask that you please approve this parade as a way to celebrate the many achievements of the Class of 2024. I thank you for your consideration.

Sincerely,

Jeff Eichelkraut, Ed.D.

New Glarus – Parks Committee,

The New Glarus Lions Club wishes to present a proposal for changes, repairs to the Village Park property.

- **Repairs to the existing Lions Shelter-**

- The shelter has become dated and needs repairs to the wood appearance to be the place visitors and residents have depended on for their activities and celebrations in New Glarus. (see photo)

- **Repairs (repairs and or changes to Village Sign)**

- The Lions' Village Park sign posts have spread apart and allowed the sign to slip. The existing sign has succumbed to the heat from the afternoon sun and the vinyl is cracking making the sign susceptible to further damage. The current location tends to make repairs to the sign vulnerable to the same damage in the future.
- We are proposing to relocate a new sign to the southeast corner of the park where the afternoon sun exposure is more limited. This

would also address concerns of the New Glarus Village utilities director Joe Cockroft.

- Request to relocate the Lions flagpoles to the area of the main park flag pole. (see photos) This reduces the number of American flags to address for lowering when needed.
- Returning this space to general park usage.
- Installing WI state flags and (other) flags on relocated poles.

(Sample 1)

(Sample 2)

- The new sign (samples from Bryan Dove) are a flexible proposal and Bryan says that he will work with the parks committee and the Lions with the design.

- The option of moving the sign to the southeast corner of the park depends on the information from the locates that Joe will be calling for. The reason for selecting this location is due to the normal traffic of tourists and residents approaching the park. The normal pattern is from the southwest corner and the southeast corner. This would help to identify this park better. (see existing sign on northwest corner)

The New Glarus Lions are willing to address the cost of the shelter repairs and the cost of the new park sign. Joe Cockroft has indicated that the Village should address the new posts for the new sign and the cost for relocating the flagpoles. With the Village supplying the equipment to relocate the posts and the flagpoles, this should reduce the cost of this project. Flag pole base equipment purchased would be the expense of the New Glarus Lions.

We submit this project as a continuing effort to work together to have a great park system in New Glarus. As a joint effort, the New Glarus Lions would share in the manpower efforts with volunteers within our members.

Any new physical property added to the Village Park would be turned over to the New Glarus Village as their property for ownership responsibilities that go with it.

Respectfully submitted by the New Glarus Lions Inc.
President – Lion Eric Muggenburg
